The screenshot displays the SAP Form Builder interface for editing a form element. The title bar at the top reads "Formular Bearbeiten Sprungen Hilfsmittel Umfeld System Hilfe" and the SAP logo is in the top right corner. Below the title bar, the window title is "SAP Form Builder: Baustein SF_AGB_01 ändern". The interface is divided into several sections:

- Left Panel (Tree View):** Shows a hierarchical structure of form elements. The selected element is "Baustein SF_AGB_01". Under it, there are "Globale Einstellungen" (Global Settings) and "Seite" (Page). Under "Globale Einstellungen", there are "Bausteinattribute" (Form Element Attributes), "Bausteinschnittstelle" (Form Element Interface), and "Globale Definitionen" (Global Definitions). Under "Seite", there are "AGB Allg. Geschäftsbedingungen" (AGB General Business Conditions), "AGB Allg. Geschäftsbedingungen" (AGB General Business Conditions), "TEXT Text allg. Geschäftsbedingun" (Text General Business Conditions), "FOOTER Firmenspezifische Angaben" (Footer Company-specific Information), and "BANK Text Bankverbindung" (Bank Text Bank Connection).
- Right Panel (Properties):** Shows the properties of the selected form element. It has two tabs: "Allgemeine Eigenschaften" (General Properties) and "Ausgabeoptionen" (Output Options). The "Allgemeine Eigenschaften" tab is active, showing the following data:

Ersteller	GOERING	Änderer	GOERING
